

Thrive with 10-35
Thank you for Your Donation!

Thank you so much for your generous donation to THRIVE with 10-35! The proceeds of this event will benefit Thrive with 10-35 as we continue to support law enforcement and their families.

THRIVE with 10-35 is a support network for El Dorado County Sheriff's employees and their families. Our mission is to offer "back up" support and services that promote the well-being of EDSO Law Enforcement families. Now more than ever, our community must rally around our law enforcement, and your donation is a huge part of that effort. We are so grateful for your support!

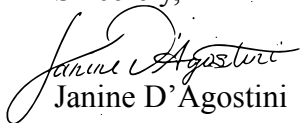

Your help with our upcoming "Back the Badge - Hometown Heroes" gala will be celebrated at the event with display of your item(s) and/or signage and acknowledgments of your donation.

We appreciate your generosity; please use our tax identification number for your records.
