

Thrive with 10-35  
Thank You for Your Donation!

Thank you so much for your generous donation to Thrive with 10-35. Thrive with 10-35 is a support network for El Dorado County Sheriff’s employees and their families. Our mission is to offer “back up” support and services that promote the well-being of EDSO Law Enforcement families.

Through the contributions of our generous community, Thrive is able to provide numerous law enforcement family centered activities throughout the year that facilitate connection and wellness. Thrive brings families together during Christmas, Easter, Halloween, and celebrates employees during National Police, Dispatch and Corrections Week. Additionally, Thrive is able to supplement our Wellness Program with Family Peer Support and complimentary counseling services through vetted clinicians. These services mean that those in need are able to reach out and receive support immediately. Thrive is also now providing annual scholarships to children of law enforcement families. Most importantly, when law enforcement families experience tragedies, within our community or nearby, Thrive is able to provide meaningful and real assistance. We are incredibly blessed to live in a community that so enthusiastically supports its law enforcement. Thrive is able to bring your support to EDSO employees and let them know how much they are appreciated. We are so grateful for all that you do for your law enforcement community!

We appreciate your generosity; please use our tax identification number for your records.
