

## THRIVE with 10-35

On behalf of THRIVE with 10-35, welcome to the EDSO family!

Thrive is a support network set up for you, the families of the El Dorado County Sheriff's Office Employees. Our mission is to offer "BACKUP" services that promote the well-being of EDSO Law Enforcement families by providing information, support and practical assistance to help our families successfully survive and thrive during their loved-one's career and beyond.

We offer practical assistance in the form of education, training, encouragement, events and a wide array of resources for your emotional and educational needs as well as support. Additionally, we have developed a critical response protocol, this resource is one of our most important assets to support and assist our families and the Sheriff's Office.

It is our goal to be there for EDSO families, whether they have a need, a crisis, an event or training idea, seeking counseling, uniform or need meals. We invite you to contact us at any time if any such need arises; please allow us the opportunity to serve you and be connected to a network created just for you. You are invited to sign up, you'll receive information about what we offer, upcoming events and trainings, find out how you can be a part of Thrive! There are many areas and ways to participate, or simply just receive our bulletins and stay updated.
